### **The Response of Y Cyngor to the Proposals made by Commission of the Covenanted Churches in Wales**

Please find attached / enclosed a copy of the response to the proposals as agreed by Y Cyngor following consultation with Ardaloedd / Circuits and with officers of the Connexion. The response may be shared with colleagues and members.

This response, seeking to faithfully reflect the views of the people of the Methodist Church in Wales, will, through the Methodist Council, help to shape the Methodist Church's formal response to the Commission which will be agreed by the Conference in the summer.

It was impressive to see the extent to which Ardaloedd and Circuits engaged with the consultation, for which I thank you.

Yours sincerely,

Trevor Pratt (Revd)
